7. Item 7 of the Agenda

Election of ten members of the Supervisory Board

The Supervisory Board mandates of all members elected by the Annual General Meeting expire at the end of the 20th Annual General Meeting of 20 May 2019, as they have arrived at the end of the term of office for which they were elected by the Annual General Meeting.

The Supervisory Board presently consists of ten members elected by the Annual General Meeting. The number of members elected by the Annual General Meeting is to remain the same. Given the expiry of the terms of office of all members elected by the Annual General Meeting, ten members of the Supervisory Board have to be elected in order to again attain the number of ten members of the Supervisory Board elected by the Annual General Meeting.

Pursuant to Section 86 (7) of the Stock Corporation Act, the supervisory board of a listed company has to include at least 30% women and at least 30% men, if the supervisory board comprises at least six capital representatives and the labour force of the company consists of at least 20% employees. As these prerequisites are met by UNIQA Insurance Group AG, a total of at least five women and at least five men (calculated on the basis of fifteen Supervisory Board members, i.e. ten capital representatives and five employee representatives) would have to be elected and/or delegated to the Supervisory Board of UNIQA Insurance Group AG in order to meet the minimum requirements pursuant to Section 86 (7) of the Stock Corporation Act.

On 8 April 2019, i.e. six weeks prior to the 20th Annual General Meeting which is to resolve, inter alia, on the election of ten Supervisory Board members, the Supervisory Board members elected by the Annual General Meeting (capital representatives) expressed to the Chairman of the Supervisory Board their objection to full compliance with the aforementioned minimum percentage pursuant to Section 86 (9) of the Stock Corporation Act. In this election, therefore, the required minimum percentage of women on the Supervisory Board is to be met separately by the capital representatives. On account of separate fulfilment of the required minimum percentages, at least three women and at least three men (calculated on the basis of the total number of ten capital representatives proposed) must be elected by the 20th Annual General Meeting to the Supervisory Board of UNIQA Insurance Group AG in order to comply with the minimum percentages required pursuant to Section 86 (7) of the Stock Corporation Act. The

proposal for election to the Supervisory Board (capital representatives) by the 20th Annual General Meeting will include three women and seven men. In case of election of these candidates, the capital representatives on the Supervisory Board of UNIQA Insurance Group AG would include three women, thus meeting the 30% requirement for both men and women.

The candidacies proposed by the Supervisory Board have been selected in compliance with the requirements of the Corporate Governance Code. The principles set out in Section 87 (2a) of the Stock Corporation Act, i.e. professional and personal qualifications, a balanced composition of the Supervisory Board in terms of expertise represented, diversity, internationality and a clean criminal record have been complied with.

The candidates proposed for election have all submitted the declarations required pursuant to Section 87 (2) of the Stock Corporation Act, listing their professional qualifications as well as their professional or similar functions and stating that there are no circumstances that might give rise to a concern of bias. The respective declarations pursuant to Section 87 (2) of the Stock Corporation Act have been published on the website of the Company.

Furthermore, the candidates confirmed their knowledge of the provisions of the Austrian Stock Exchange Act, the Market Abuse Regulation (Regulation (EU) No 596/2014) and UNIQA's internal compliance policy to prevent market abuse, and they stated their willingness to comply with the principles of the Corporate Governance Code acknowledged by the Company. In line with the criteria of independence laid down by the Supervisory Board, the candidates declared to be independent. Mrs. Anna Maria D'Hulster and Mrs. Jutta Kath fulfill the criteria of rule 54 of the Corporate Governance Code for companies with a free float of more than 20 percent. The curricula vitae of the candidates proposed have been published on the website of the Company.

The Annual General Meeting is bound by the candidate proposals on the basis of the provisions referred to in the following. Candidacies proposed by the Supervisory Board for election to the Supervisory Board, including the declaration pursuant to Section 87 (2) of the Stock Corporation Act, have to be published and made accessible on the website of the Company for each candidate proposed not later than on the 21st day before the Annual General Meeting, i.e. not later than 29 April 2019. Candidacies proposed by shareholders pursuant to Section 110 of the Stock Corporation Act, which must be received by the Company in text form not later than 9 May 2019, including the declarations pursuant to Section 87 (2) of the Stock Corporation Act for each person proposed, have to be published on the Company's website not later than two working days after receipt (with the exceptions provided for in Section 110 (4) of the Stock Corporation Act). Pursuant to Section 87 (6) of the Stock Corporation Act, candidacies for the Supervisory Board proposed by the Supervisory Board or by shareholders pursuant to Section 110 of the Stock Corporation Act, including the declarations pursuant to Section 87 (2) of the Stock Corporation Act for each person proposed, have to be published on the Company's website not later than on the fifth working day before the Annual General Meeting, failing which the person(s) concerned must not be included in the vote. Further details and the prerequisites for such candidacies to be taken into consideration can be found in the convocation to the 20th Annual General Meeting (reference to shareholder rights pursuant to Section 106 (5) of the Stock Corporation Act) and the document 'Further Information on Shareholder Rights' pursuant to Sections 109, 110 and 118 of the Stock Corporation Act).

Pursuant to Section 108 (1) and (2) of the Stock Corporation Act and considering Section 86 (7) and (9) and Section. 87 (2a) of the Stock Corporation Act, the Supervisory Board of the Company proposes that the Annual General Meeting adopt the following resolution:

“The following persons are elected Members of the Supervisory Board in the following order:

Anna Maria D’Hulster
Ass.jur. Jutta Kath
Dr. Walter Rothensteiner
Dr. Christian Kuhn
Mag. Erwin Hameseder
Dr. Burkhard Gantenbein
Mag. Marie-Valerie Brunner
Dr. Markus Andréewitch
Dr. Elgar Fleisch
Mag. Martin Grill

Pursuant to Art. 7 para. 2 of the Articles of Association, the proposed candidates are to be elected as of the end of the 20th Annual General Meeting for a term of office until the end of the Annual General Meeting resolving on the approval of the actions of the Supervisory Board for the fiscal year 2022. The previous number of ten Members of the Supervisory Board elected by the Annual General Meeting of the Company is to remain unchanged.”
